REPORT

24th of February 2012

The study visit has been held in Granada on Friday, February 24. Lydia Castillo opened the meeting, welcoming the participants. All the Partners of TIPS Project attended the visit.

In the morning we made a brief summary about e-book development status. The Polish partner made a presentation of their draft ebook, showing the contents. Then, Prof. Passafiume made a brief presentation on some tips for carrying out the ebook.

After doing the presentations and sharing some ideas, we made the coffee break. Following the agenda, we introduced Mr. Jesús Barrón, General Manager of European Institute of Graphic Sciences. Mr. Barrón held a conference entitled "Dyslexia and Graphology". He explained the problems faced by children with dyslexia and the most common mistakes for the detection of dyslexia.

After the conference we took a break for lunch.

We continued with a brief summary of dissemination status updated by the Turkish partner Mrs. Serpil Kalkan.

Then, we exchanged some ideas about the website of the project. We exchanged ideas on the website of the project. Jasmina Jonkova, the Bulgarian partner, suggested make some changes to the website of the project.

It was the turn for Aurora Puccio, from CO.RI.S.S., who distributed the evaluation questionnaire together with a dossier on WP8 Quality Management among all participants.

Finally, all the partners discussed the dates for the nexts study visits in Romania and Poland.

With the thanks and greetings of the organization, the visit was concluded at 17:00 local hour.
